“Jesus did good. We try to be like him because we believe that GOD loves the WORLD through US. Like he sent Jesus to Earth to show his love, by his presence on Earth, so today he sends US.” - Mother Teresa

Restoration of Hearts ministry, led by Evangelist Dr. Viktor Koroteyev, greatly impacts people all around the world. The ministry name itself reveals our purpose - reaching people's hearts. A definition of “restoration” is to return to the original, former condition; spiritual, emotional, or physical. Each one of us was created by God, in God's image and likeness. We were perfect and lacked nothing. The enemy and sin quickly destroyed man both physically and spiritually through sickness, poverty, hunger, depression, addiction, etc.

Jesus gave us the great commission to find these people and “restore” their lives by His Spirit and through material provisions according to their needs (Mark 16:15-18). Every hour, hundreds of people die for various reasons without ever being offered any help. We may not be able to save millions but we can help some. This story illustrates it well:

A man was walking along the ocean shore when he noticed a boy picking something up out of the sand and throwing it into the ocean. As he got closer, he saw that the boy was throwing starfish. They were all around him. The entire shore was covered in them, it looked like there was a million starfish in the sand. “Why are you throwing the starfish in the ocean?” asked the man. Without pause, the boy answered, “If they stay on the shore until tomorrow morning, when the low tide comes, they will die.” “Well that is just unwise” yelled the man, “look around you, there are millions of them here, the shore is covered in them, you won't make a difference.” The boy picked up another starfish, thought for a moment, and threw it in the ocean, responding “No, my effort will make a big difference for this starfish.” Then the man also picked up a starfish and threw it into the ocean. And then another. That night, there were many people on the shore, everyone throwing the starfish into the ocean. When the sun rose the next morning, there was not a single starfish in the sand.

What an amazing story. What if we started to respond to the pain of those near us and extended a helping hand? The world would change, the darkness would be gone, and God's kingdom would spread and death would not be able to hold back the Spirit of God and his power.

About Us

Restoration of Hearts ministry is led by Evangelist Dr. Viktor Koroteyev. Under his leadership, evangelistic crusades for adults and children, seminars, conferences, and charity events are held in many countries. Restoration of Hearts ministry is also active in planting new churches, Bible schools, orphanages, and centers for widows in: USA, India, Kenya, Uganda, Russia, Belarus, Ukraine, Tanzania, the DR Congo, Burundi, Uganda, Zambia, Ethiopia, Philippines, Peru, Mexico, Canada, Burma, Cuba, Kazakhstan, Kyrgyzstan, Israel, Honduras, El Salvador and others.

Our mission is to raise an army of missionaries and ignite people and churches with a passion for the final harvest. Join with us as we expand the Kingdom of God!

Just as the eagle was designed to fly, we were designed to be in God's presence and fulfill His will. If we are soaring in God's territory, then we have a Godly passion and our service to people and to God isn't a burden, but rather a joy and a blessing!

Our Vision

Restoration of Hearts ministry has a massive vision of helping people all around the world. In addition to the ministries listed, with the help of God and the financial support of our partners, we are also involved in planting churches and sending missionaries to various countries. Currently, we have missionaries in Tanzania, Africa and India. Recently we sent a container full of medical supplies to Africa. A trip with doctors and dentists is planned. We work with kids, teenagers, and young adults to help them understand who they are as God's creation, to find purpose for their lives, and to love themselves just as God has created them.

Who are we helping?

“Then the King will say to those on his right,
‘Come, you who are blessed by my Father; take your inheritance, the kingdom prepared for you since the creation of the world. For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.’...

The King will reply,

‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me’.”

Matthew 25:34-40

Widows Ministry

We serve widows in many different ways. We provide necessities including: soap, toothbrushes and toothpaste, washing detergent, beans, salt, butter, etc. Thousands of widows receive clothes, shoes, and other basic items needed. So, widows can earn money for the future, a school is organized to teach them how to sew.

Orphans Ministry

Our ministry to orphans gives them the opportunity to encounter the real Father God. When the kids receive food, clothes, other necessities, and warm hugs, they meet Jesus. The kids experience emotional and physical healing, “beginning to believe in miracles and having hope, that does not put to shame.”

Prison Ministry

We bring hope, where there is none. We love people, despite their past. The love they experience heals them and helps them draw closer to Jesus. We are witnesses of prisoners being “freed” and becoming children of God. We provide them basic necessities. We leave them with an anchor for their soul, firm and secure, which is Jesus Christ.

What we do

Evangelistic Crusades

Jesus gave us all the “Great Commission”, to spread the gospel to the ends of the Earth. He has given us the opportunity to preach to very large masses of people in Ethiopia, Burundi, Tanzania, Uganda, Kenya, Honduras, El Salvador, Peru, Israel, Kazakhstan, Kyrgyzstan, Belarus, Mexico, Philippines, India, Cuba, America, Russian, Ukraine and other countries. People experience God’s power in healing at all the services. Some get healed from cancer and the deaf and dumb begin to hear and speak. The pain in legs, hands, back, and stomach is healed. The blind begins to see, the lame walk, and tumors disappear. Paralyzed, crippled, and those possessed by demonic spirits are set free in the name of Jesus.

Seminars for Pastors & Leaders

Leader’s seminars and meetings are organized for thousands of pastors to attend. Pastors receive teaching, some are dedicated for ministry, and all are renewed in the Spirit so they can continue to work effectively where God has placed them.

If all is well with you and your “breadbaskets” are full
and you lack nothing - it’s time to ask Him,
